SKILLS

Frontend : Html • CSS • Javascript • React Js | **Backend** : Node js • Express | **Databases** | MySql • MongoDB | **Frameworks** | Tailwind CSS | **Version Control** : Github | **Libraries** | Socket.io

Experience (Internships)

DevKruti Tech (Frontend developer)

- Acquired a deep understanding of **frontend** design principles, demonstrating the ability to create visually appealing and user-friendly interfaces.
- Developed strong **collaborative skills** through working seamlessly with team members.
- Acquired hands-on experience in utilizing **Git** and **GitHub** for version control and collaborative development. This includes effectively branching, merging, and managing code repositories.

PROJECTS

JobBoard

- Seamless Application and Management: Job seekers can apply for jobs using their resumes, while employers can post jobs and manage applications by marking candidates as selected or rejected.
- Advanced Admin Control: Admins can view, add, delete, and modify user and job details, providing comprehensive control over the platform.
- Robust Authentication and Security: Secure user authentication is ensured with JWT (JSON Web Token) implementation, safeguarding user data.
- Efficient State Management: Utilizes Redux for state management, ensuring a consistent and predictable application state.
- MERN Stack Integration: Built with MongoDB, Express.js, React.js, and Node.js, providing a dynamic, scalable, and responsive user experience.

Link Basket

- LinkBasket is a personalized link management platform, allowing users to curate and share a collection of links from a single, easily accessible landing page.
- Utilized **React js**, **mongodb**, **javascript**, **nodejs**, express to build LinkBasket, incorporating responsive design principles for a consistent experience across various devices

DSA

- I have solved over **200+ Dsa problems** across various platforms like Leetcode, Hacker rank, GFG and Code Chef.
- I have Good grasp on various Data Structures and I am capable of breaking complex problems into simpler problems and solving them.

Education

Charotar University (Btech - Comp. Sci)

📅 2021 - 2025

📍 Nadiad 🎓

CGPA: 8.5
